-  Producer, Scenoptica
-  Creative Commons-certified educator

Credibility

In lieu of a long list of perfunctory information, visit these sites for the information you want.

PUBLICATIONS See Google Scholar for a list of past publications.

➔ <https://scholar.google.com/citations?user=dpAOZcoAAAAJ>

PAST JOURNALS Although I've consulted with over a hundred journals now, specific journals I've managed include *Berkala Ilmiah Biologi* (2005–2007), *Indonesian Journal of Biotechnology* (2017–2018), and *ASEAN Journal on Science & Technology for Development* (2018–2021).

EDUCATIONAL CONTENT Learn about publication and copyright, download ecology resources, and watch lectures at *All is Found... in Time*.
